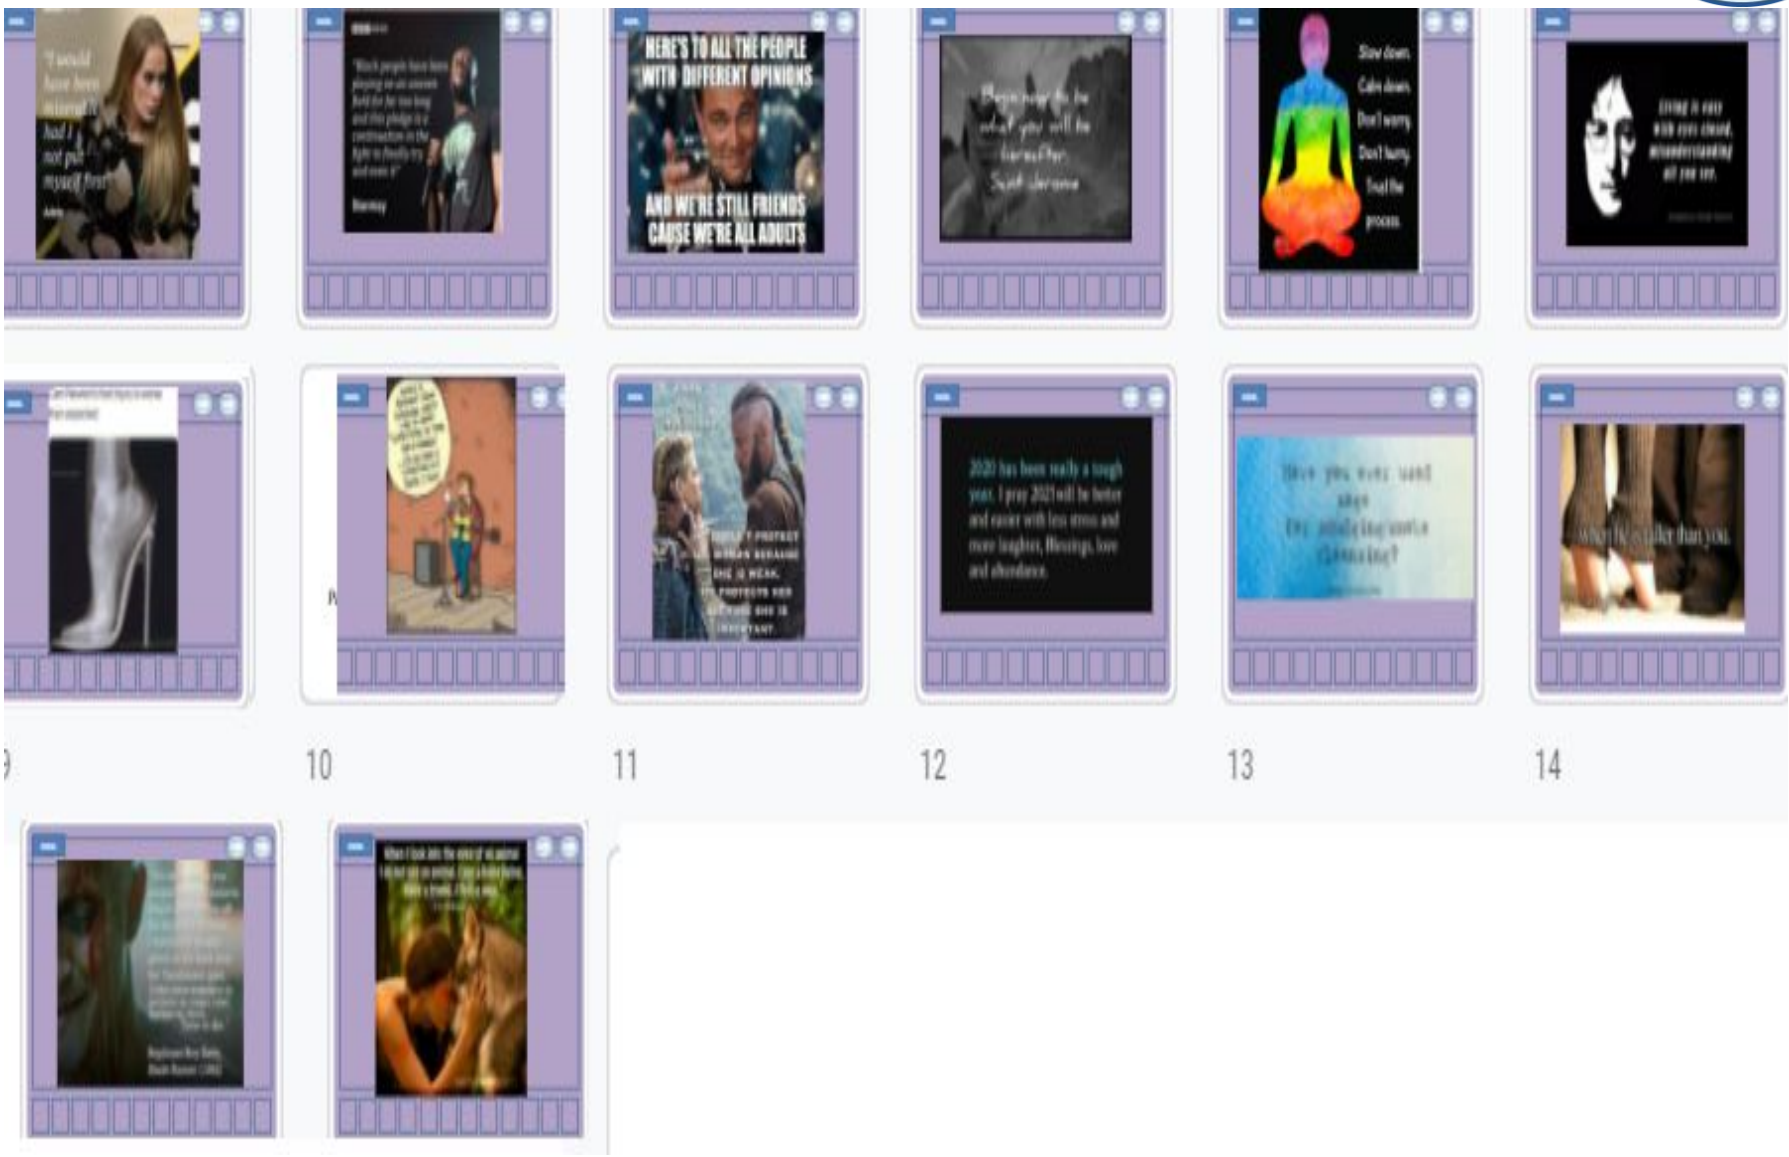
Part 1

SAYINGS 007



HERE'S TO ALL THE PEOPLE WITH DIFFERENT OPINIONS
AND WE'RE STILL FRIENDS CAUSE WE'RE ALL ADULTS
Slow down.
Calm down.
Don't worry.
Don't hurry.
Trust the process.
2020 has been really a tough year. I pray 2021 will be better and easier with less stress and more laughter, Blessings, love and abundance.

I'M HERE TO GIVE YOU REASSURANCE. EVERYTHING IS ALL RIGHT...

RESPECT YOUR ANCESTORS

WHEN YOUR YOGA TEACHER SAYS

Can a relationship go back to exactly how it was after one partner cheats?

Início

Aren't you afraid
Trump is leading us into war?
We've been at war in the Middle East for over 15 years. The Obama administration bombed 7 different countries, took out the leader of Libya, and was at war every, single, day, of his presidency... and NOW you're afraid of war?

At least they pay for their children's college. This is distinct from the financial aid scam used for free money by so many.

Porn hub
Porn is a weapon. Each time porn is viewed, brain damage is incurred by a flood of synthetically generated dopamine. Studies have shown that consistent viewing of porn damages dopamine receptors and also decreases grey matter in the brain. This is a form of brain damage which leads to low testosterone, anxiety, depression, decreased self confidence, depletion of minerals and less motivation. Porn also disconnects the viewer from reality and degrades the relationship between men and women, making it easier to control the population. If something is free, you are the product.

cnn Former “Desperate Housewives” actress Felicity Huffman was sentenced to 14 days in prison for conspiring to pay $15,000 to a fake charity that facilitated cheating when her daughter took the SATs. Huffman said she accepts the court’s decision. “I broke the law. I have admitted that and I pleaded guilty to this crime. There are no excuses or justifications for my actions. Period,” Huffman said. She also received a $30,000 fine, 250 hours of community service and one year supervised release, according to the judge. (: Bloomberg/Getty Images)
